

Notes for Cheshire Girls Football League Users at Moss Farm

CGFL rely on the goodwill and co-operation of the staff at Moss Farm to make our games run smoothly on a Saturday morning and to make girls' football an enjoyable experience in our League. However, a number of issues have frequently been raised with us from a variety of sources and through observing our behaviour on a Saturdays. We must also take into consideration that we are just one of many groups of users of the facilities who all have different demands on these facilities. We therefore respectfully request that you comply with the following guidelines to ensure the health and safety of everyone who attends the site on a Saturday morning.

- 1) Vehicles must travel at no more than **5 mph** whilst on the site. This is indicated on a sign at the entrance.
- 2) Cars must be parked in the designated parking areas and as instructed by the staff. Drivers who ignore these instructions will be asked to leave the site and to park elsewhere. If drivers are abusive to Moss Farm Staff/League Committee Members, verbally or physically, Moss Farm Management reserve the right to suspend **all matches** immediately until that person has left the site. The League Committee may then also consider the sanction of withdrawing that person's daughter's registration with the League preventing their child from playing football in our League. Please do not let the situation get out of hand and result in this penalty.
- 3) Users must demonstrate caution when crossing the driveway, recognising that vehicles have the right of way and to avoid unnecessary traffic jams.
- 4) Users are not permitted to exit their vehicles until the vehicle has parked in the correct and designated space. If vehicles are not staying on site, they must proceed around the roundabout and discharge their passengers on the Swimming Baths' side of the driveway.
- 5) Teams must avoid congregating in the disabled parking bays. These bays must be accessible to **all users** of the site **at all times**.
- 6) Users are not permitted to kick footballs around the Swimming Baths' entrance or in the disabled parking areas. This should only occur on the playing fields. Please ensure that the players are fully aware of this instruction.
- 7) When transporting the small sided goals from the Barn to the playing areas and back after the games, users must have a minimum of two people transporting the equipment, **particularly the crossbar**. Please ensure that whilst transporting the equipment, you keep a safe distance from other users.
- 8) Users are also reminded that **NO DOGS** (except dogs working with disabled users) are allowed on the site. (This is also indicated on a sign at the entrance).

CGFL has enjoyed more than 20 years of football at Moss Farm without any major health and safety incidents. We would like to continue this record but this is only possible if we follow the above instructions and respect the other users. Your co-operation will be greatly appreciated.
