

How to print your Squad List from the Whole Game System

After your players have been approved by your league, login to the Whole Game System <https://wholegame.thefa.com/> using your FAN number and password then:

1. Select "Player Registration"
2. Set the Filter to the name of your team.
3. Click "Select All" - additional options should then appear at the top of the screen.
4. At the top of the screen, click the green button "Squad List"

A ".pdf" file will be generated that you can then print out and bring to matches.

(Note: your screen may look slightly different to the example screenshot below depending on what privileges / roles you have on the Whole Game System, If you do not see the Player Registration option please consult your Club Secretary for advice)

The screenshot displays the 'PLAYER REGISTRATION' interface. At the top, a dark blue header shows '8 players selected' and a row of action buttons: 'Download Registration Forms', 'Submit To League', 'Request Consent', 'Confirm Offline Consent', 'Export Photos', 'Squad List', 'Assign To Teams', and 'Detach from Club'. Below this is a navigation bar with 'All Home' and 'Referee Administration'. The main content area is titled 'PLAYER REGISTRATION' and includes a 'Season' dropdown set to '2018 - 2019'. A summary section asks to 'Please select one from the following options-' and shows counts for 'Players' (8), 'Players Pending Parental Consent' (0), 'Detached Players' (7), 'Transfers' (0), and 'Notices of Approach' (0). A 'Select All' button is highlighted with a yellow circle and the number 3. Below this is a search bar with the text 'Filter by name, FAN' and a 'Search for Player' button. A table lists players for 'Junior U10 Lions Girls' with checkboxes and dropdown menus. The left sidebar shows navigation options like 'Dashboard', 'Sa...', 'Player Registration', 'Discipline', and 'Referee Administration'.

Every time a player is added or removed from your team - repeat this process.

A player must be listed on the appropriate squad list if they are to play in a league match, no exceptions.

If you have lost/forgotten your FAN password, you can reset it here:
